The Key Stage 2 Talent Show is back again.

If you would like to come and watch the Key Stage 2 Talent Show, please complete the form below and return it with the money in a sealed envelope to the school office by Friday 16th March.

BOOKING IN/OUT SYSTEM

Child audience members will be ticked off an attendees list when they arrive at the show. At the end of the show children will be checked out by ticking their names off the same list on production of the collection ticket. If no collection ticket is produced, and we do not recognise the person collecting as being the child's parents/carers, the child's parents/carers will need to be contacted by phone to confirm that the person has their permission to collect the child. **To avoid delays please remember to bring the collection ticket when collecting the child.**

Please remember that this system is in operation for the safety of your children.

As usual we are not able to run these events without the help and support of parents/carers. Please fill in the form below if you are able to help so that we can ensure a ratio of 1 adult to 10 children. I will get in touch if you are required.

Can we remind parents/carers that in the interest of safety, all children must be collected by an adult with a "collection ticket".

If a child becomes unwell, or in the event of an accident, we will contact the parent or carer, therefore it is vital that a contact number is given. If you cannot be contacted, or it is deemed necessary, our policy is to administer basic first aid or to call an ambulance.

Please can parents/carers take all coats and bags home with them when they drop off their children. May we remind all children that "The School Behaviour Code" applies at all PTA events.
